OUR MISSION & VISION

About Odyssey Health

Odyssey Health and Wellness is a women-led company empowering women 55+ to build strength, mobility, and confidence through accessible, science-backed fitness. We offer strength training programs, supplement guidance, and equipment recommendations designed to support healthy aging, bone density, and functional movement.

Our mission is to help women feel strong at every stage of life—because your health journey is ongoing, and so is your potential.

Our Story

BRAND POSITIONING

Odyssey Health and Wellness positions itself as a trusted, science-informed platform dedicated to empowering women 55+ through strength training, functional fitness, and holistic wellness tools.

BRAND PERSONALITY

Our core audience is women aged 55 and older who are seeking approachable, effective ways to build strength, support healthy aging, and improve long-term mobility and vitality.

TARGET MARKET

Odyssey's personality is warm, empowering, and knowledgeable —like a supportive coach and wellness-minded friend who guides women with clarity, compassion, and confidence.
